Club/Organization Information					Advisor Information		Status
Club Name	Campus	Purpose/About	Email/Contact	Renewal Semester	Name	Contact	
Arise Campus Ministry	AN	To provide a welcoming and affirming Christian campus ministry; focused on building community	arise@novagmu.org	Fall			Approved Green
Asian Student Association	AN	The purpose of the Asian Student Association is to be a club to represent Asian students at NOVA. Our missions are to share values and are committed to fostering a supportive and inclusive environment where Asian communities can come together in a safe place.	sp94293@email.vccs.edu	Fall	mframe@nvcc.edu	Mei Lan	Approved Gold
ASEZ	AN	ASEZ(which stands for save the earth from A to Z) is a group of university student volunteers from the Church of God who carry out various initiatives within our campuses and local communities to solve practical problems around the world. ASEZ also works toward the accomplishment of the United Nations' 17 sustainable development goals(SDGs) through our S.A.V.E. Movement, which consists of four main types of activities that include social service, awareness raising, victim relief, and environmental protection.	sy2346@email.vccs.edu	Fall			Approved Green
Biology Club	AN	The Biology Club at Nova aims to cultivate a passion for the life sciences among its members. Through interactive discussions, hands-on activities, and exposure to current research and innovations, we seek to bridge the gap between classroom learning and real-world biology. Whether you're a biology major or just someone curious about the intricacies of life, our club provides a platform to explore, learn, and connect with like-minded individuals.	am242655@email.vccs.edu	Fall			Approved Green
Black Student Alliance	AN	The purpose of the Black Student Alliance is to further awareness of social issues, establish community, and provide educational support for Black students as well as all who are in support of Black liberation.	mii12569@email.vccs.edu	Fall	jcredle@nvcc.edu	Dr. Joan Credde	Approved Gold
Chess Club	AN	The NVCC Chess Club is dedicated to promoting the game of chess as a tool for intellectual enrichment and social engagement across our diverse student body. This club aims to create a welcoming environment where students of all skill levels can come together to play, learn, and grow as players through friendly competition, optional lessons/tutoring, and tournaments.	ddy2082@email.vccs.edu	Fall			Approved Green
Clay Club	AN	NOVA Annandale's Pottery Club! Supporting students who wish to learn more about pottery, attend trainings, receive support for their projects, and more.		Fall			Approved Green
College Transfer Club	AN	creating a space for future transferring students to freely talk about their journey and share information with each other (especially for out-of-state schools where it is hard to gain information easily)	pk52521@email.vccs.edu	Fall			Approved Green
Elohim Bible Study	AN	To share the teachings that came directly from Christ and explore great mysteries in the bible.	sgs2946@email.vccs.edu	Fall			Approved Green
Ethiopian Orthodox Tewah	AN	Rooted in the Ethiopian Orthodox Church, EOTC Campus Ministry aims to spread the gospel of our Lord and Savior Jesus Christ within the Northern Virginia Community College community and other students of higher education in the area.	eotcnovacampusministry@gmail.com	Fall	Asmemlash, Naf	nasmelash@nvcc.edu	Approved Green

Nighthawks Cloud (NOVA Cloud Computing Club)	CW	Our club is dedicated to helping students like you embark on a journey into the world of emerging technologies, with a special focus on Amazon Web Services (AWS). 1. Free Voucher Project: AWS Academy Courses Training One of the most exciting opportunities we offer is our Free Voucher Project. Here's how it works: - Joining Emerging Technologies: We provide a platform for you to immerse yourself in the latest trends and technologies shaping the cloud industry. - Obtain Free Voucher: As a member of the Nighthawks Cloud Club, you'll have the chance to earn free vouchers for AWS Academy Courses, giving you access to high-quality training resources. Get AWS Certified: With the knowledge gained from these courses, you'll be well-prepared to pursue AWS certification, a valuable asset in today's tech job market. 2. Project Development In addition to the Free Voucher Project, we are committed to enhancing your learning experience with practical project development. Our resources include: - Instructor Guidelines: Step-by-step guides and whiteboarding concepts to help you understand complex cloud concepts with ease. - Hands-on Lab Guides: Dive deep into the cloud with our hands-on lab guides, allowing you to gain practical experience. - Troubleshooting Challenges: Test your skills and problem-solving abilities with our troubleshooting challenges. 3. Workshops Learning is most effective when it's interactive. At the Nighthawks Cloud Club, we regularly develop and deliver workshops based on real-world projects. These workshops provide you with the opportunity to apply your knowledge, collaborate with fellow members, and learn from experienced instructors. - Workshop Demo: https://www.youtube.com/watch?v=TiowzPc2R8g 4. Website Development: Visit our website for the latest updates and additional content. Our website is a valuable resource for staying informed about club activities, accessing learning materials, and connecting with like-minded cloud enthusiasts. - Website URL: https://nighthawks.cloud Join us at the Nighthawks Cloud Club of NOVA Community College and embark on a transformative journey into the world of cloud computing. Whether you're a beginner or an experienced cloud aficionado, there's always something new to explore and learn with us.	sislam1@nvcc.edu	Fall	Shahpar Islam	sislam1@nvcc.edu	Approved Gold

Business Club	LO	NOVA's Business club is about giving students opportunities to network and grow their interpersonal skills. We believe that to be successful in life, you must learn to be confident with yourself, and lead the way for others. To do so we plan on creating an engaging and welcoming community and a cultural foundation for current and future students. We plan on doing a fundraising event to help raise money to be able to do other events such as: Stock market pitch, Resume building, Alumni event, Seminars, workshops, networking activities, and investment learning opportunities. The Stock Market pitch competition will be derived by a variety of different small groups which will choose an individual stock. Whichever team's stock has the highest return will win some sort of amount in a gift card. The resume building workshop will be an event that students come in and work on their resumes which will be revised by professionals and small Business owners that will check students resumes. The seminar/workshops will be small events that are more personal related. There will be topics about finance, credit building, Business start up, etc. The networking activities will be similar to events above but there will be one on one profession help to discuss about the future also helping people create a Business network. The investment learning opportunities will involve topics of how to invest wisely and introduce students to smart money concepts as well as tips to keep ones emotions from defining what is a good investment and a bad investment. The aim is to help keep consistency with the stock pitch competition.	loudounbusinessclub@gmail.com	Fall	Miguel Corrigan Deanna Podlenski	mcorrigan@nvcc.edu dpodlenski@nvcc.edu	Approved Gold
