Research Report No. 67-16

Office of Institutional Effectiveness and Student Success Initiatives

NOVEMBER 2016

NORTHERN VIRGINIA COMMUNITY COLLEGE

OFFICE OF INSTITUTIONAL EFFECTIVENESS AND STUDENT SUCCESS INITIATIVES

The purpose of the Office of Institutional Effectiveness and Student Success Initiatives is to conduct analytical studies and provide information in support of institutional planning, policy formulation, and decision making. In addition, the office provides leadership and support in research related activities to members of the NOVA community engaged in planning and evaluating the institution's success in accomplishing its mission.

When citing data from this report, the Northern Virginia Community College (NOVA) Office of Institutional Effectiveness and Student Success Initiatives must be cited as the source.

Health Sciences Programs

Introduction

This Report presents NOVA, regional, and national academic program and occupational data related to Health Sciences programs at NOVA. Regional data includes the following nine locations: Arlington County, Fairfax County, Loudoun County, Prince William County, Stafford County, Alexandria City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.

Every postsecondary degree/certificate program in the U.S. falls under a six-digit Classification of Instructional Programs (CIP) Code as developed by the U.S. Department of Education's National Center for Education Statistics (NCES). The purpose of the CIP Code is to provide a taxonomic scheme that will support the accurate tracking, assessment, and reporting of fields of study and program completions activity.¹ A list of NOVA programs and their corresponding CIP codes is provided in the Appendix of this report.

All NOVA degree and certificate programs have been grouped into the following eight Guided Pathways: Biology and Biotechnology; Business; Health Sciences; Information Technology, Computer Science, and Mathematics; Liberal Arts and Social Science; Physical Science, Engineering, and Applied Technologies; Public Service, Social Service, and Education; and Visual and Performing Arts, Digital Media, and Design Programs. A list of the programs included in each Guided Pathway is included in the Appendix of this report.

Within this report on the Health Sciences Guided Pathway, there are 17 sections. Six tables are presented for each section in this report. The first table of each section presents data on NOVA completions. The second through sixth tables present data related to the CIP Code that corresponds to the program(s) in that section.

NOVA Program Data

- **Table 1. Five-Year Completion Trends by NOVA Program: 2011 through 2015**
 - Table 1 presents five-year trends in degree or certificate completion at NOVA by NOVA program and specialization.

Data by Program (CIP) Code

- **Table 2. Five-Year Completion Trends: 2011 through 2015**
 - Table 2 presents five-year trends in degree or certificate completion at NOVA, in the Northern Virginia region, and at the state and national levels.

¹<https://nces.ed.gov/pubs2002/cip2000/>

- **Table 3. Regional Completions by Award: 2015**
 - Table 3 presents the number and percentage of completions in the Northern Virginia region by award level (Associate’s degree, Bachelor’s degree, Master’s degree, etc.) in 2015.

- **Table 4. Regional Completions by Institution and Award: 2015**
 - Table 4 presents all completions in the Northern Virginia region by institution and award level in 2015.

- **Table 5. Five-Year Projections for Target Occupations: 2016 through 2021**
 - Table 5 presents workforce data and five-year projections for occupations related to the academic program and includes the number of jobs in each occupation in 2016, annual openings, median hourly earnings, projected growth from 2016 to 2021, and the Location Quotient of each occupation.
 - The **Location Quotient** is the ratio of an occupation’s share of employment in a given area to that occupation’s share of employment in the U.S. as a whole. For example, an occupation that makes up 10 percent of employment in a specific metropolitan area compared with 2 percent of U.S. employment would have a location quotient of 5 for the area in question.

- **Table 6. National Educational Attainment of Target Occupations: 2016**
 - Table 6 breaks down each target occupation by the highest degree attained by workers in that occupation in 2016.

Data Note

Data were extracted utilizing the Economic Modeling Specialists International (EMSI) product EMSI Analyst, which compiles data from over 90 sources, including the Integrated Postsecondary Education Data System (IPEDS), the U.S. Census Bureau, the Bureau of Labor Statistics, and the Internal Revenue Service. The data were pulled between November 1st and November 8th, 2016. More information on EMSI can be found at www.economicmodeling.com/data.

 - Social Sciences, A.S./Political Science Specialization
 - Social Sciences, A.S./Psychology Specialization
 - Social Sciences, A.S./Geospatial Specialization
- Public History and Historic Preservation, Career Studies Certificate (formerly Historic Preservation)

6. Physical Science, Engineering, and Applied Technologies Programs

Applied Technology Programs

- Architecture Technology, A.A.S.
- Architectural Drafting, Certificate
- Air Conditioning and Refrigeration, A.A.S.
 - Air Conditioning and Refrigeration, Certificate
 - HVAC-R and Facilities Services Technology, Career Studies Certificate
- Automotive Technology, A.A.S.
 - Automotive Technology, A.A.S./Emissions Specialization
 - Automotive Maintenance and Light Repair, Career Studies Certificate
 - Collision Repair Technology, Career Studies Certificate
- Diesel Mechanics Technology, Career Studies Certificate
- Construction Management Technology, A.A.S.
 - Construction Supervision, Career Studies Certificate
- Engineering Technology, A.A.S.
 - Engineering Technology, A.A.S./Civil Engineering Technology Specialization
 - Engineering Technology, A.A.S./Drafting Specialization
 - Engineering Technology, A.A.S./Mechanical Engineering Technology Specialization
- Computer Aided Drafting and Design, Career Studies Certificate
- Electronic Media in Design Rendering and Animation, Career Studies Certificate[†]
- Site Development, Career Studies Certificate (formerly Land Planning, Survey, and Development)
- Geographic Information Systems, Career Studies Certificate
- Welding/Basic Techniques, Career Studies Certificate

Physical Science and Engineering Programs

- Engineering, A.S.

NOVA Programs by Guided Pathway

- Engineering, A.S./Electrical Engineering Specialization
- Science, A.S.

7. Public Service, Social Service, and Education Programs

Public and Social Service Programs

- Administration of Justice, A.A.S.
 - Administration of Justice, A.A.S./Homeland Security Specialization
 - Administration of Justice, Certificate
 - Security Management, Career Studies Certificate
 - National Security Career, Studies Certificate
- General Forensic Investigation, Career Studies Certificate
 - Advanced Forensic Investigation, Career Studies Certificate
- Paralegal Studies, A.A.S.
- Substance Abuse Rehabilitation Counselor, Certificate

Education Programs

- Early Childhood Development, A.A.S.
 - Early Childhood Development, A.A.S./School-Age Child Specialization[†]
 - Early Childhood Development, Certificate
 - Infant and Toddler Care, Career Studies Certificate
 - Early Childhood Development, Career Studies Certificate
- Paraprofessional Teacher Assistant, Career Studies Certificate[†]
- Social Sciences, A.S./Teacher Education Specialization
 - Driver Education, Career Studies Certificate

8. Visual and Performing Arts, Digital Media, and Design Programs

- Communication Design, A.A.S.
 - Communication Design, A.A.S./Interactive Design Specialization
 - Multimedia Design, Certificate
- Web Design Specialist, Career Studies Certificate
- Fine Arts, A.A.
- Fine Arts, A.A.A.
 - Fine Arts, A.A.A./Photography Specialization
- Interior Design, A.A.S.
- Music, A.A.
- Music, A.A.A.
 - Music, A.A.A./Jazz/Popular Music Specialization
 - Theatre, Career Studies Certificate
- Music Recording Technology, Certificate
- Photography and Media, A.A.S.

NOVA Mission and Strategic Goals

Mission

With commitment to the values of access, opportunity, student success, and excellence, the mission of Northern Virginia Community College is to deliver world-class in-person and online post-secondary teaching, learning, and workforce development to ensure our region and the Commonwealth of Virginia have an educated population and globally competitive workforce.

Strategic Goals

- I. **STUDENT SUCCESS** – Northern Virginia Community College will move into the top tier of community colleges with respect to the college readiness, developmental course completion, retention, graduation, transfer, and career placement of its students.
- II. **ACCESS** – Northern Virginia Community College will increase the number and diversity of students being served to mirror the population growth of the region.
- III. **TEACHING AND LEARNING** – Northern Virginia Community College will focus on student success by creating an environment of world-class teaching and learning.
- IV. **EXCELLENCE** – Northern Virginia Community College will develop ten focal points of excellence in its educational programs and services that will be benchmarked to the best in the nation and strategic to building the College's overall reputation for quality.
- V. **LEADERSHIP** – Northern Virginia Community College will serve as a catalyst and a leader in developing educational and economic opportunities for all Northern Virginians and in maintaining the quality of life and economic competitiveness of the region.
- VI. **PARTNERSHIPS** – Northern Virginia Community College will develop strategic partnerships to create gateways of opportunity and an integrated educational system for Northern Virginians who are pursuing the American Dream.
- VII. **RESOURCES** – Northern Virginia Community College will increase its annual funding by \$100 million and expand its physical facilities by more than one million square feet in new and renovated space. This includes the establishment of two additional campuses at epicenters of the region's population growth, as well as additional education and training facilities in or near established population centers.
- VIII. **EMERGENCY PREPAREDNESS AND CONTINUITY OF OPERATIONS** – Northern Virginia Community College will be recognized as a leader among institutions of higher education in Virginia for its development and testing of emergency response and continuity of operation plans.
