2015 Northern Virginia Public High School Graduates Who Applied to NOVA and Registered: Fall 2015

This Research Brief presents the number of 2015 Northern Virginia public high school graduates who applied to NOVA and those who registered in the Fall 2015 semester.¹ Data are shown by nearest NOVA campus.

Two columns of registered students are shown in the tables. The first, ‘# Registered out of Applied to NOVA’, includes registered students from the Fall 2015 applicant list only (those who applied to NOVA specifically for Fall 2015). The second, ‘Total 2015 HS Grads Registered’, shows all 2015 high school graduates who were registered in Fall 2015, regardless of the term for which they applied. Therefore, the ‘Total 2015 HS Grads Registered’ column includes registered students from the Fall 2015 applicant list as well as from applicant lists from other terms (e.g., students who applied for Summer 2015, etc.).
